Esteemed Professor,

The Centre for University – Industry Collaboration along with Renault Nissan Technology & Business Centre India Private Limited (RNTBCI) has proposed to implement the Corporate Social Responsibility activities of RNTBCI. One of the components identified in this CSR initiative is award of Scholarship to the tune of Rs.30,000 per student per academic year in order to cover the semester fees. In this regard, adhering the following guidelines you are requested to identify the beneficiaries from the students of 2nd year (2022 passing out) of your branch, and submit the list as per the format enclosed (soft copy). The proposed number of scholarships are 100 students (approximately 60 girls and 40 boys) studying in the 2nd year of B.E – Mechanical / Production / Industrial / Manufacturing / Automobile / Material Science & Engineering / Computer Science / Electrical & Electronics / Electronics & Communication / Information Technology.

The following are the guidelines:

- Merit-cum-means
- Ceiling on parent annual income not exceeding Rs. 4,00,000/- p.a.
- Consistency in academic performance (CGPA 7.0 & above), No History of Arrears
- Beneficiary should not avail any other scholarship

Kindly consolidate the list in excel format and send an email to CUIC (cuic.annauniv@gmail.com) on or before 10.01.2020 (soft copy enclosed) for onward transmission to the selection committee of RNTBCI scholarship programme. The final selected students list will be intimated to your office during the last week of January 2020. Your early action in this regard will be highly appreciated.

For further details, please feel free to contact Dr. T. Kalaiselvan, Additional Director, Mobile No. 9790271713.

With thanks and kind regards,
